Product Number

Round plate: 27-59-48

Square plate: 38-59-48

This series of wall sconces is classically inspired. Scaled versions of our pendants extend from clean metal armatures. The proximity of the glass to the wall allows for each piece's unique light pattern to be magnified. Hand blown and shaped in lead free crystal. No molds are used, and each glass shape is unique. Designed and made by Siemon & Salazar in California. Signed.
