

Avante Side Table

BY HENRY ROYER

The Avante Side Table is available in mild steel, stainless steel and silicon bronze. Patinas can be applied to the mild steel in antique bronze, copper or black. The stainless steel can have a brushed or high polish finish. There is an upcharge for the high polish and silicon bronze.

SHOWN: 22"H x 24" Diameter Top. Mild steel with antique bronze patina.

SIZE: Each piece is custom made to your size specifications. The standard size range is up to 23"H x 24" diameter.
